Remembering

During our life-long re-
minding the absence of our friend and advisor,
Mr. James Goodrich, is painfully

clear. He brought enjoyment and
warmth with him always and was so well
liked and admired by all who knew him
that his presence at a Senior Banquet
came to be understood. He put his
heart into his work and was genuinely
devoted to his students. If you were
ever in need of help, or just someone
to talk to he always seemed to find the
time. He will be sadly missed and
the memory of his many accomplishments
in life will live on in us.

**The Man Who on His Trade Relies
Must Either Bust or Advertise . . .**

Sir Thomas Lipton

Joseph Randolph CABINETMAKER

CARVES furniture in the neatest manner in a style to fit any room with great exactness. The CHAIRS & TABLES that he crafts are of the finest native WALNUT appearing to be as fine grained and as rich in color as the timbers in furniture imported from Europe

Lambert Plunket of Philadelphia

wishes the fair daughters of Philadelphia to deck their walls with the products of our own manufactories. Our PAINTED PAPERS are not inferior to imported papers, and we have a good assortment of BLOCK PRINTED PAPERS which we will sell at very low prices.

To be SOLD, Cheap for CASH, IRONWORK of every kind relative to the COACHMAKING trade. Also PLEASURE CARRIAGES repaired in the very best and finest manner by **R. DUNNE, Coachmaker & Wheelwright in Worcester**

IT IS NOW GROWN TOO COMMON for our youth to swear in the streets and abuse one another with foul language and do other things not fit to be mentioned, because they have not been educated to the niceties of EUROPE. An elegant assortment of dances from EUROPE, where young LADIES and young GENTLEMEN are taught in commodious surroundings is the only step left to be taken.

POTTER'S MAGIC OIL

*East of
Wells
Street*

All remedies used against my ear-ache failed until I used POTTER'S MAGIC OIL, a special receipt for this painful condition. Upon dropping a few drops in my ear, the painfulness immediately went away, and my ear has been free from tortuous aches and pains since. POTTER'S MAGIC OIL has also permanently cured my ringworm, itch, rheumatism and scurvy. Some say it will prevent baldness *Alfo*.

**College isn't the
only place to continue
your education.**

You may not join the Army to get a college education, but it may end up that way.

Last year alone, 90,000 men and women earned college credits while serving in the Army. And the Army paid up to 75% of the tuition.

Now, through the Army's newest educational program Project Ahead, you can enlist in the Army and start college at the same time.

So, for whatever your reason is for joining, you can still find time to continue your education.

For more information, see your local Army Representative.
